As a recap (and to prepare for 2014!):

- To be eligible for a year-end Overall Competition Award in 2013, entrant must have run a minimum of eight events (four less than the scheduled number of CCM competition events).
- For your Overall Competition position, points will be awarded for up to ten events (up to two less than the total number of eligible CCM inside competition points).
- For 2013, the Autocross Award counted your best seven results (based upon eight scheduled events).
- The FTD award is given to the driver with the most FTD points.
- For 2013, with eight autocross events, the Autocross Class Champion award counted the seven best results, with a minimum of five events for eligibility.

A special award given is the CARS award, which is presented to the member who participated in concours, autocross, rallye, and drag events, not including those who may have earned an overall competition award. This award truly recognizes individuals who show their support of the club and enthusiasm for competition participation. For 2013, the CARS award recipient is . . .

Ken Sumner.
