

Corvette Club of Michigan
Track Records - Gary Griffith, Sr. and Ken Watson Memorial Time Trials
Waterford Hills Road Course - Clarkston, Michigan

Track records for the annual July 4th CCM Waterford time trials. These records are for the track configured without the slalom before Turn 5, beginning in 2013. The top three times are recorded for each class where applicable. New personal best times in a given class will replace old.

Description of lap: Each run is single lap, standing start from pit road. The stage and start beams are placed at the cracks in the pavement near the opening in the fence. The finish is located in about the middle of Swamp Turn; there are paint marks on the track surface for the finish cones. The finish beam boxes are placed in the grass back away from the track surface.

All-time record: 67.839 John Heinricy 17 Chevy Corvette GS 2N/SSP 2018
