

You are invited to tour DeWitts Radiator

April 20, 2019 at noon
1275 Grand Oaks Dr, Howell, MI 48843

DeWitts is the premier manufacturer of aluminum radiators for replacement, aftermarket and custom fitments.

The Corvette club has been invited to a tour of the manufacturing facility where they go from raw material to finished product in house.

Please RSVP to greendot1@comcast.net so I can provide a head count for complimentary refreshments.
